BUSINESS PROFILE

BUSINESS NAME: TAXCREDIT CONSULTING LTD

COMPANY OVERVIEW

Taxcredit Consulting Ltd is a privately held professional services and management consultancy organization incorporated under the Companies Act. The firm provides accounting, taxation, audit, financial advisory and business consultancy solutions to organizations across different sectors.

With over 15 years of experience in executing financial assignments, Taxcredit Consulting Ltd partners with businesses, institutions and international clients to help them build, grow and remain competitive through practical financial solutions, regulatory compliance support and strategic advisory services.

The firm supports both local and international organizations seeking to establish, manage and expand their operations in Kenya by providing consultancy, documentation support, regulatory guidance, accounting, financial reporting and transaction-intensive process support.

Taxcredit Consulting Ltd focuses on delivering reliable, efficient and cost-effective professional services that allow organizations to focus on their core business activities while ensuring strong financial management and compliance.

VISION

To be the preferred professional advisory partner in accounting, taxation, financial management and business consultancy by delivering reliable, innovative and value-driven solutions that support sustainable growth for businesses locally and internationally.

MISSION

Our mission is to assist organizations in improving business performance through customized accounting, tax, audit and advisory services.

We combine professional expertise, industry knowledge and technology-driven solutions to help clients achieve their objectives, improve operational efficiency and enhance profitability.

CORE VALUES

Excellence

We are committed to delivering high-quality professional services that exceed client expectations and create measurable value.

Integrity

We uphold professional ethics, transparency and confidentiality in all our engagements while maintaining the highest standards of professionalism.

Efficiency and Effectiveness

We develop practical and innovative solutions that improve client operations, financial performance and decision-making processes.

Consistency

We build long-term relationships with our clients through dependable service delivery and continuous support.

Client Focus

We anticipate client needs and provide responsive solutions that address business challenges and support sustainable growth.
